*Funkin is an innovative new range of fresh fruit purees ready to pour in a handy, squeezable, resealable packet. Free from artificial flavourings, Funkin is made from 100% fruit and can be used to create perfect cocktails, smoothies and desserts.*

Funkin offers five Fruit Purees; Passion Fruit, Raspberry, Strawberry, White Peach and Liquid Dark Chocolate. A revolution in terms of convenience and packaging, Funkin is available in an easy-pour, resealable tetra pack. With an ambient one year shelf life at room temperature, once opened it can be stored in the fridge for up to eight days.
