★★★★ **Neat idea**  
**Instant cocktails**

Here's a neat thing to slip in the fridge door to liven up party cocktails – 100% natural fruit purées in a re-sealable sachet. Put a shot of white peach, passion fruit, liquid chocolate, lychee, blackcurrant, pear, apple or apricot, in a glass then fill with fizz – as served at Jamie Oliver's Fifteen, Soho House and Laconda Locatelli. Funkin fruit purées cost £3.99 from Tesco, Waitrose, Harrods, Selfridges, Harvey Nichols and [drinkon.com](http://drinkon.com). Visit [funkin.co.uk](http://funkin.co.uk) for lots of recipe ideas.
